EVENT INFORMATION

On the weekend of June 5th, 6th, and 7th, cycling moves to La Molina, in the heart of the Pyrenees, an ideal setting for enjoying mountain biking in a high-mountain environment with circuits adapted to different disciplines and levels. Whether you're a beginner or a seasoned enthusiast, you'll find a unique space to experience the passion of cycling in one of the leading bike parks.

During these days we can enjoy a wide-ranging sporting program with top-level international and national competitions. Among the main attractions will be a round of the iXS European Downhill Cup, the Spanish XCC (Short Track) Championship, and the Catalan International XCO Cup, bringing together the best downhill and cross-country specialists.

The youngest riders will also have their moment in the spotlight with the Super Cup Youth, featuring races for the grassroots categories from pre-Benjamin to children's, betting on the future of cycling and the promotion of new talents.

It will be a full weekend, combining spectacle, competition and training in a privileged environment like La Molina, becoming one of the great meeting points of mountain biking in the Pyrenees.

PRESENTATION

We've reached the final stretch of the championship in La Molina, a spectacular setting to close out the season. An imposing course that will once again test all the participants in a key event of the Catalan International Mountain Bike Cup, part of a great weekend of mountain biking with various top-level competitions.

You can find all the details and the rules of the test at the following link.
